SUMMARY

I am a student of the University of British Columbia. I am from Nanaimo, British Columbia where I was born and raised. I have worked multiple full time and part time jobs in Nanaimo in fields such a Customer service, computer repair, painting, sales, and many more. I am driven and hope to make a impact not just on my own life but for those around me. I do not give up and as shown by my resume I can hold a job for years. I hope to join your team and grow together.
